**Meeting commenced at 3:04 pm**

**Present: Ryan Olsen, Crystal Kearl, Diana Farley, Aubrey Allen, Julie Rasmussen, Nick Harris, Blake Pope, Carrie Pilot**

Nick introduced all of the members to each other, as this was the first in-person meeting.

Nick then went over the minutes from November's meeting.

Nick reviewed the Recommended Timeline from the USBE:

- a. Review year-to-date budget and submit a Plan Amendment for approval, as needed. Nick pulled up the budget on the USBE website and showed the council how to do this. Our school uses Trustland funds to pay for Student Advocate Aides.
  - b. Participate in an academic data discussion concerning the current School LAND Trust Plan implementation and decide the academic needs to be addressed in the upcoming school year. Nick showed the MTSS program guidelines and where the Advocates fit into that.
  - c. Make recommendations to the principal about the Teacher and Student Success Act Plan (TSSA). Innovation's plan is focused on Professional Development and relationships. Funds have been used on PD books and stipends for teachers to update their courses. A Positive Behavior team is working on building relationships between students and students. Funds are also used for our attendance aide, and a school-wide book study on the Feel Good Productivity book, and a mental health specialist. No one on the council offered any recommendations.
